

CR97-00074

# United States Court of Appeals For the First Circuit

No. 99-2148

UNITED STATES,

Appellee,

v.

RONALD BARRIOS-GARCIA,

Defendant, Appellant.

## JUDGMENT

Entered: August 23, 2000

Given the government's concession of error, we remand this matter for resentencing with directions to the lower court to reduce the supervised release term to five years. We leave open for now the question of whether a defendant such as Barrios may be sentenced under 21 U.S.C. § 841(b)(1)(A) to a term of supervised release greater than five (5) years. Because of the specific representations made below, this case does not present a suitable vehicle for addressing that question.
